

**Independent Auditor's Report**

To,  
The Members of Jharkhand Rajya Gramin Bank

**Report on the Audit of the Financial Statements**

**Opinion**

1. We have audited the accompanying financial statements of Jharkhand Rajya Gramin Bank ('the Bank'), which comprise the Balance Sheet as at 31 March 2024 and the Profit and Loss Account and the cash flow statement for the then year then ended, and notes to financial statements including a summary of significant accounting policies and other explanatory information in which are included the returns for the year ended on that date of:

- i) 56 branches audited by us and
- ii) 203 branches (excl one SARB) audited by statutory branch auditors.

The branches audited by us and those audited by other auditors have been selected by the Bank in accordance with the guidelines issued to the Bank by the National Bank for Agricultural and Rural Development ('NABARD'). Also incorporated in the Balance Sheet and the Profit and Loss Account are the returns from 186 branches & 1 Service Branch which have not been subjected to audit. These unaudited branches account for 24.82 percent of advances, 31.61 per cent of deposits, 11.30 per cent of interest income and 23.06 per cent of interest Expenses.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Regional Rural Bank Act, 1976 and circulars and guidelines issued by the Reserve Bank of India (RBI) and National Bank for Agriculture and Rural Development (NABARD) from time to time and in the manner so required for bank and are in conformity with accounting principles generally accepted in India and:

- a. the Balance Sheet, read with the notes thereon is a full and fair Balance Sheet containing all the necessary particulars, is properly drawn up so as to exhibit a true and fair view of the state of affairs of the Bank as at 31st March, 2024;
- b. the Profit and Loss Account, read with the notes thereon shows a true & fair balance of profit; and
- c. the Cash Flow Statement gives a true and fair view of the cash flows for the year ended on that date;

**Basis for Opinion**

2. We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the ICAI. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to

our audit of the financial statements prepared in accordance with the accounting principles generally accepted in India, including the Accounting Standards issued by the ICAI, and provisions of section 29 of the Banking Regulation Act, 1949 and circulars and guidelines issued by the Reserve Bank of India ("RBI") & NABARD from time to time and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter

3. Attention is invited to the following matters:
  - a. The bank is still in the process of reconciling the net credit of Rs. 12.60 Lakhs between the Head office and Branches & Rs. 8.95crores, against the BGL, which represent un-reconciled entries as on 31.03.2024.
  - b. The Bank CBS did not classify, automatic degradation of some accounts and change in IRAC Status, based on the time lapse from the date of NPA. The same was currently manually by the bank.
  - c. The regeneration of EMI due to change in Interest rate is not evidenced.

Our report is not qualified in respect of these matters.

### Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters to be communicated in our report:-

Sl. No	Key Audit Matters	How it has been addressed
1	<p><u>Classification of Advances, Income Recognition, Identification of and provisioning for non-performing Advances (Refer Schedule 9 read with Note 4 of Schedule 18 to the financial statements)</u></p> <p>Advances include Cash credits, Overdrafts, Loans repayable on demand and Term loans. These are further categorised as secured by Tangible assets (including advances against Book Debts), covered by Bank/Government Guarantees and Unsecured advances.</p> <p>Advances constitute 41.50 per cent of the Bank's total assets. They are, inter-alia, governed by income recognition, asset classification and provisioning (IRAC) norms and other circulars and directives</p>	<p>Our audit approach towards advances with reference to the IRAC norms and other related circulars/directives issued by RBI/NABARD and internal policies and procedures of the Bank includes the testing of the following:-</p> <p>A. The accuracy of the data input in the system for income recognition, classification into performing and non-performing Advances and provisioning in accordance</p>

<p>issued by the RBI/NABARD from time to time which provides guidelines related to classification of Advances into performing and non- performing Advances (NPA). The Bank classifies these Advances based on IRAC norms as per its accounting policy No. 3.2</p> <p>Identification of performing and non-performing Advances involves establishment of proper mechanism. The Bank accounts for all the transactions related to Advances in its Information Technology System (IT System) viz. Core Banking Solution (CBS) which identifies whether the advances are performing or non- performing. Further, NPA classification is done through IT System (CBS) and provisioning of advances (Performing or non performing) as per the Income Recognition and Asset Classification Norms is being done outside the system using tools like Microsoft Excel.</p> <p>The income recognition asset classification and provisioning if not done properly as per the IRAC norms issue by Reserve Bank of India, may materially impact the financial statements of the bank. Hence, same was taken as Key Audit Matter.</p>	<p>with the IRAC norms in respect of the branches allotted to us;</p> <p>B. Existence and effectiveness of monitoring mechanisms such as Internal Audit, Systems Audit, Credit Audit and Concurrent Audit as per the policies and procedures of the Bank;</p> <p>C. We have examined the efficacy of various internal controls over advances to determine the nature, timing and extent of the substantive procedures and compliance with the observations of the various audits conducted as per the monitoring mechanism of the Bank and NABARD Inspection.</p> <p>D. In carrying out substantive procedures at the branches allotted to us, we have examined all large advances while other advances have been examined on a sample basis.</p> <p>E. Reliance is also placed on Audit Reports of other Statutory Branch Auditors.</p> <p>F. We have also relied on the reports of External IT System Audit experts with respect to the business logics / parameters inbuilt in CBS for tracking, identification and stamping of NPAs and provisioning in respect thereof.</p> <p>G. We have performed extensive procedures for verification of the</p>
---	---

		procedure of computation of Provisions outside the IT System, its correctness and the reconciliation of the same with the books of accounts.
(ii)	<p><u>Assessment of Provisions and Contingent liabilities in respect of certain litigations including Direct and Indirect Taxes, various claims filed by other parties not acknowledged as debt (Schedule 12 read with Note 17 (j) of Schedule 18 to the financial statements):</u></p> <p>There is high level of judgement required in estimating the level of provisioning. The Bank's assessment is supported by the facts of matter, their own judgment, past experience, and advice from legal and independent tax consultants wherever considered necessary. Accordingly, unexpected adverse outcomes may significantly impact the Bank's reported profit and state of affairs presented in the Balance Sheet.</p> <p>We determined the above area as a Key Audit Matter in view of associated uncertainty relating to the outcome of these matters which requires application of judgment in interpretation of law. Accordingly, our audit was focused on analysing the facts of subject matter under consideration and judgments/ interpretation of law involved.</p>	<p>Our audit approach involved:-</p> <p>A. Understanding the current status of the litigations/tax assessments</p> <p>B. Examining recent orders and/or communication received from various tax authorities/ judicial forums and follow up action thereon;</p> <p>C. Evaluating the merit of the subject matter under consideration with reference to the grounds presented therein and available independent legal / tax advice.</p> <p>D. Review and analysis of evaluation of the contentions of the Bank through discussions, collection of details of the subject matter under consideration, the likely outcome and consequent potential outflows on those issues</p>
(iii)	<p><u>Classification and Valuation of Investments. Identification of and provisioning for Non-Performing Investments (Schedule 8 read with Note 3 of Schedule 18 to the financial statements):</u></p> <p>Investments include investments made by the Bank in various Government Securities, Bonds, Debentures, and other approved securities</p> <p>Investments constitute 33.67 per cent of the Bank's total assets. These are governed by the circulars and</p>	<p>Our audit approach towards Investments with reference to the RBI/NABARD Circulars/directives included the review and testing of the design, operating effectiveness of internal controls and substantive audit procedures in relation to valuation, classification, identification of</p>

<p>directives of the RBI/NABARD. These directions of RBI, inter-alia, cover valuation of investments, classification of investments, identification of non-performing investments, the corresponding non-recognition of income and provision there against.</p> <p>The valuation of each category (type) of the aforesaid securities is to be done as per the method prescribed in circulars and directives issued by the RBI/NABARD which involves collection of data/information from various sources such as FIMMDA rates, rates quoted on BSE/NSE. Considering the complexities and extent of judgement involved in the valuation, volume of transactions, investments on hand and degree of regulatory focus, this has been determined as a Key Audit Matter. Accordingly, our audit was focused on valuation of investments, classification, identification of non-performing investments and provisioning related to investments.</p> <p>The bank has appointed SBI Funds Management Limited (SBI-FML), the portfolio management service provider for managing SLR &amp; Non-SLR Funds on non-discretionary basis, on 11.01.2022, and all investments/dis-investments is done on their suggestions after approval of the Investment Committee.</p> <p>Further, the bank has been compiling the investment register in Excel tool and has been making all the calculations using the same tool.</p>	<p>non performing investments (NPIs)</p> <p>In particular:</p> <p>A. We evaluated and understood the Bank's internal control system to comply with relevant RBI/NABARD guidelines regarding valuation, classification, identification of NPIs</p> <p>B. We assessed and evaluated the process adopted for collection of information from various sources for determining fair value of these investments;</p> <p>C. For the selected sample of investments in hand, we tested accuracy and compliance with the RBI Master Circulars/NABARD and directions by re-performing valuation for each category of security. Samples were selected after ensuring that all the categories of investments (based on nature of security) were covered in the sample;</p> <p>D. We carried out substantive audit procedures to recompute independently the provision to be maintained and depreciation to be provided in accordance with the circulars and directives of the RBI/NABARD.</p> <p>E. We have tested the Investments including related documents maintained in Excel with the financial statements to ensure the compliance with</p>
---	---

		<p>the presentation and disclosure requirements as per the aforesaid RBI/NABARD disclosures.</p> <p>F. We have also examined on sample basis that, purchase/sale of the SLR/Non-SLR securities, are being made on the recommendation of SBI-FML, after approving the same by Investment Committee of the Bank.</p>
(iv)	<p><u>Creation of Deferred Tax Assets &amp; Corresponding reserve</u></p> <p>The bank has brought forward losses of erstwhile JGB, which they used to set off with their taxable income while computing the tax. However, AS-22, the deferred tax should have been created in E-JGB.</p>	<p>We have examined the same during the course of audit and have create a deferred tax assets of Rs. 134.36 crores and corresponding reserve to give effect to the non-creation of Deferred Tax Asset not done by erstwhile JGB by considering the brought forward losses existing as on 31.03.2024 (As per IT Act, 1961)</p>

### Information Other than the Financial Statements and Auditor's Report Thereon

- The Bank's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' Report etc in the Annual Report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the Other Information that we obtained prior to the date of this Auditors' Report, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard.

When we read the Directors' Report, including annexures in Annual Report, if any, thereon, if we conclude that there is a material misstatement therein, we are required to communicate the matter to Those Charged with Governance.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

6. The Bank's Board of Directors is responsible with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India, including the applicable Accounting Standards, and provisions of Section 29 of the Banking Regulation Act, 1949 and circulars and guidelines issued by the Reserve Bank of India ('RBI') and the National Bank for Agricultural and Rural Development (NABARD) from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Bank's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

7. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may

involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Bank's Internal Control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the misstatements in the financial statements that, individually or aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in :

(i) planning of the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current periods and are therefore the Key Audit Matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matters or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would be determined that a matter should not be communicated in our report because the adverse

consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Other Matters**
